## Richtlinie (EG) No. 1907/2006 (REACH)

Dear Ladies and Gentlemen,

after the verification of the updated candidate list for materials with specific alarming characteristics which was released on , we can inform you now, that no such substances with a concentration of more than 0,1% are contained in our products (Single Products).

Should we come to other conclusions after we have completed the verification, we will inform you immediately. In particular, we will give every purchaser of our products sufficient information for a secure usage, as stated in the article 33 REACH-decree. At least, though the name of the respective material.

Due to our business relationship, we will inform you, within the legal deadlines, about all relevant changes of our products, the delivery capacity as well as the quality caused by REACH and as the case may be we will adjust appropriate arrangements with you.

If you have any further questions please do not hesitate to contact me at any time.

Best regards,

Gühring KG

Ralf Horn  
Umweltmanagement  
REACH-Koordinator
